

Dear Blokart friends,

Sad news from Open Baltic Blokarts 2010.

During the first day of OBBC2010 all of the sudden Orm Valtson's heart stopped to beat. CPR was immediately started, but ambulance crew was unsuccessful...

Minute of silence was given and the event was stopped.

On behalf of the EBA, we would like to express our deepest sympathy to the family and friends of Orm. We will remember Orm as a great man and a good friend.

Yours sincerely,

Nicolas Boel
Chairman of the EBA
